Use TRANSFLO Express to get paid faster!

Total Quality Logistics now offers TRANSFLO Express truck stop scanning to help you get your paperwork to us even faster. This service provides same day document delivery so you don't have to worry about lost paperwork; one simple scan and you're done!

How does it work?

As soon as you are finished with your TQL load, head to a participating truck stop with your paperwork.

Simply use the TQL rate confirmation as your cover page (it has a bar code that ensures the paperwork comes to TQL) and tape any receipts and other small documents onto a blank piece(s) of paper to follow. Be sure to remove any staples or paper clips and take care to not mark on or near the bar codes.

Take your papers to the self-serve TRANSFLO kiosk or hand them to the cashier who will scan all of the documents. You will receive a receipt that contains a unique confirmation code that allows you to view your documents online at www.transfloexpress.com for up to 14 days from the day of the transaction.

A fee of \$3.00 per load will be taken out of your final pay so you don't have to worry about paying at the truck stop. If you send multiple scans for the same load, you will be charged for each scan.

If you have any questions, please contact our Carrier Services team at 800-580-3101, option 1 or by email at carrierservices@tql.com.
