

# TEMPERATURE-CONTROLLED

WE BEGAN OUR BUSINESS WITH A HEAVY CONCENTRATION IN PRODUCE. TWENTY YEARS LATER, WE CONTINUE TO FOCUS ON PERISHABLE COMMODITIES REQUIRING REFRIGERATED TRAILERS.

From transporting fresh and frozen meat to all kinds of produce and everything in-between, our Logistics Account Executives have the expertise you need to ensure your loads are handled with the highest level of care. With more than 374,000 reefer loads moved in 2017, we understand fresh and frozen commodities and know the level of service needed for these time-sensitive loads.

## TQL'S 2017 TEMPERATURE-CONTROLLED LOAD MAP - 374,049
