

FLATBED SERVICES

FROM TRANSPORTING ANY FORM OF STEEL AND ROOFING MATERIAL, TO STONE OR BRICKS, WE HAVE THE ABILITY TO MOVE ALL THESE COMMODITIES AND MUCH MORE.

If you have an oversize, overweight and/or over dimensional load, it's no problem. Our Logistics Account Executives have the knowledge and support to make sure your load is handled in the safest manner. With more than 301,000 flatbed loads moved in 2017, we can handle anything from your basic flatbed, step deck and RGN to the more complicated heavy haul and over dimensional loads.
